

Friends of Aberbargoed News

Meetings

The first meeting of 2025 was held on Monday 13th January. Unfortunately, numbers were quite low. This didn't stop the team planning events for the children this term.

We will need volunteers for the upcoming events so please get in touch with school or the FoA team if you would be able to support.

Fundraising

A huge thank you to everyone who supported our festive events this year. In total, the profit from the raffle, fete and novelties sale raised a fantastic...

£1377.88

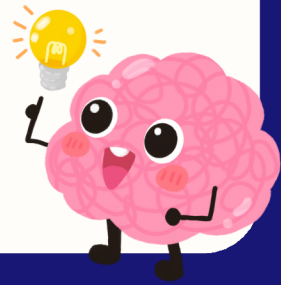

£500 will be allocated to a long term saving goal to replace outdoor play equipment. Some funding will be used to purchase equipment for FoA to run their own discos. Remaining funds will remain to invest in projects over the next year. You will be updated termly about funding spending. We also look forward to receiving the ASDA cashpot for schools later this term.

Thank you for your feedback about our Christmas Fete. Overall, responses were extremely positive and supportive. However, we recognise that there are things we can tweek and improve. Some examples of changes we will make next year include:

- Spacing out stalls into some classrooms to make sure the hall isn't overcrowded
- Separating face painting and Santa queues
- Organising the lucky dip stall more and reviewing the queuing system for this.

There were other great ideas that will be reviewed too.

Spring Term Events

St Dwynwen's Day Discos

Thursday 6th February

3.45 - 4.30pm Sensory Disco
