The Masked Singer

The Semi-Finals are upon us!

Next week we will host the semi-finals where the four winning competitors from the knock out rounds will compete for the last two positions in the finals.

Who will make it through?

- Round 1 - Daisy Dinosaur
- Round 2 - The Polar Bear Twins
- Round 3 - Gingerbread Friends
- Round 4 - Blossom the Axolotl

Intergenerational Project

We are thrilled to be working with our local residential home to develop intergenerational links in the community. This month we visited to complete activities linked to St Dwynwen's Day. Next month, another group of caring and compassionate learners will visit to complete activities linked to St David's Day.

Healthy Bodies, Healthy Minds

Dance provision continues to provide learners with weekly opportunities to develop their physical health. These lessons are free for pupils and allow them to develop their agility and coordination under the fantastic guidance of our dance expert, Mr Heaney. Wednesday morning music flows through the corridors and lifts the spirits for all.

New Experiences

Pupils had a wonderful time exploring golf skills during free training sessions with Bryn Meadows golf club. We are very grateful for their time and enthusiasm with our learners,.

Mindfulness sessions for year six began this week. Working with the Paws b curriculum, pupils will have the opportunity to develop tools and strategies to support their mental wellbeing.

Netball

Pupils from year six attended a netball tournament with schools throughout Caerphilly. They showcased their sportmanship and perseverance as they faced strong opposition. Da iawn pawb!

Kerbcraft

Pupils in Year 2 have been developing their understanding of road safety over the last few months. Pupils attend weekly sessions of Kerbcraft to talk about and practise all the steps needed. We are very proud of their behaviour and effort during these sessions. We hope they share their learning with you as you go on your family adventures.

Attendance Party

Year 1 had a fantastic time celebrating their high levels of attendance in their pyjama party. They played traditional party games such as musical animals, musical chairs and sleeping lions. They also enjoyed some refreshments to cool them down after giving their all to their party games.

Which class will be next to cross the golden line? So far year 5 are taking the lead. Will any classes beat them in the race to the reward?
